

How to give Standing order form

Manchester Buddhist Centre is a unique resource offering the people of Manchester and local areas the opportunity of experiencing a different life in line with the Buddha's teachings of love and transformation.

Thousands of people visit the centre every year to learn about Buddhism and meditation. Some people go on to join a free 4-year study course exploring these teachings in more depth.

We host many local school visits offering children a chance to experience a different approach to life.

We wish to offer a warm and welcoming place for people to pop in and have a cup of tea or to use one of our shrine rooms for some quiet space.

How to give

We operate on the Buddhist principle of generosity or *Daña*. You can contribute by volunteering your time, giving financial support and coming along to events, helping to create a vibrant centre.
